

**CONSULATE GENERAL OF INDIA,
ERBIL**

QR CODE ENABLED BIRTH/DEATH CERTIFICATES
(May 11, 2026)

In line with QR-coded Birth/Death certificates currently being issued by Municipal authorities in India, CGI, Erbil has started the issuance of QR Code enabled Birth/Death certificates through e-Sewa Portal. The QR code when scanned leads to the e-Sewa Registry enabling confirmation of the particulars of the certificate and thereby its authenticity.

2. In order to obtain QR Code enabled birth/death certificate, applicants are required to apply through **SEWA - Indian Consular Services System**, which can be accessed through the following link:-

<https://indianconsularservices.mea.gov.in/consularServices/>

3. The following steps need to be followed:-

| | |
|----------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Step 1 : | New User(Registration) or Existing User(Login) |
| Step 2 : | Apply for services and upload documents |
| Step 3 : | Visit CGI, Erbil between 0930 to 1200 hrs (Sunday to Thursday) for submission of requisite documents & fees (where applicable). Please carry the Originals and photocopies of documents uploaded |

NOTE: Those applying for Registration of Birth of child under section 4(1) of Indian Citizenship Act 1955, must register on <http://www.indiancitizenshiponline.nic.in/Login> before applying on e-SEWA portal.
